CV

Interdisciplinary Science, Carleton University (Winter 2023) Course lecturer (co-Instructor of Record) ENSC 2002, Environmental Methods and Analysis, Carleton University Teaching Assistant, BIOL 373, Biometry (5 semesters), McGill University 2015-2019 Teaching Assistant, ENVR 202, The Evolving Earth (4 semesters), McGill University Undergraduate Teaching Assistant, BIOL 308, Ecological Dynamics, McGill 2015 University Supervision PhD committee member, Ana Hernández De la Riva, Carleton University 2021 Honour's thesis Supervisor, Marie Wright, Carleton University 2021-2022 Research associate co-supervisor, Yuyan Chen, McGill University 2021 High school student mentor, Sarah Duguay, Talaria Summer Internship Program for marginalized students Independent Study Supervisor, ENSC 4901, Directed Studies (Chibudom Orji, 2020-2021 Shujin Chen), Carleton University Mentor, BIOL 5512, Advances in Applied Ecology, Carleton University 2020 Service Faculty and student governance	
Teaching Assistant, BIOL 373, Biometry (5 semesters), McGill University Teaching Assistant, ENVR 202, The Evolving Earth (4 semesters), McGill University Undergraduate Teaching Assistant, BIOL 308, Ecological Dynamics, McGill University Supervision PhD committee member, Ana Hernández De la Riva, Carleton University Honour's thesis Supervisor, Marie Wright, Carleton University Research associate co-supervisor, Yuyan Chen, McGill University High school student mentor, Sarah Duguay, Talaria Summer Internship Program for marginalized students Independent Study Supervisor, ENSC 4901, Directed Studies (Chibudom Orji, Shujin Chen), Carleton University Mentor, BIOL 5512, Advances in Applied Ecology, Carleton University Service	
Undergraduate Teaching Assistant, BIOL 308, Ecological Dynamics, McGill University Supervision PhD committee member, Ana Hernández De la Riva, Carleton University 2022 Honour's thesis Supervisor, Marie Wright, Carleton University 2021-2022 Research associate co-supervisor, Yuyan Chen, McGill University 2021 High school student mentor, Sarah Duguay, Talaria Summer Internship Program for marginalized students Independent Study Supervisor, ENSC 4901, Directed Studies (Chibudom Orji, 2020-2021 Shujin Chen), Carleton University Mentor, BIOL 5512, Advances in Applied Ecology, Carleton University 2020 Service	
PhD committee member, Ana Hernández De la Riva, Carleton University Honour's thesis Supervisor, Marie Wright, Carleton University Research associate co-supervisor, Yuyan Chen, McGill University High school student mentor, Sarah Duguay, Talaria Summer Internship Program for marginalized students Independent Study Supervisor, ENSC 4901, Directed Studies (Chibudom Orji, Shujin Chen), Carleton University Mentor, BIOL 5512, Advances in Applied Ecology, Carleton University Service	
Honour's thesis Supervisor, Marie Wright, Carleton University Research associate co-supervisor, Yuyan Chen, McGill University High school student mentor, Sarah Duguay, Talaria Summer Internship Program for marginalized students Independent Study Supervisor, ENSC 4901, Directed Studies (Chibudom Orji, Shujin Chen), Carleton University Mentor, BIOL 5512, Advances in Applied Ecology, Carleton University 2021-2021 2021 2021 2020-2021 Shujin Chen), Carleton University Mentor, BIOL 5512, Advances in Applied Ecology, Carleton University 2020-2021	
Research associate co-supervisor, Yuyan Chen, McGill University High school student mentor, Sarah Duguay, Talaria Summer Internship Program for 2021 marginalized students Independent Study Supervisor, ENSC 4901, Directed Studies (Chibudom Orji, 2020-2021 Shujin Chen), Carleton University Mentor, BIOL 5512, Advances in Applied Ecology, Carleton University 2020 Service	
Research associate co-supervisor, Yuyan Chen, McGill University High school student mentor, Sarah Duguay, Talaria Summer Internship Program for marginalized students Independent Study Supervisor, ENSC 4901, Directed Studies (Chibudom Orji, Shujin Chen), Carleton University Mentor, BIOL 5512, Advances in Applied Ecology, Carleton University 2020 Service	
High school student mentor, Sarah Duguay, Talaria Summer Internship Program for marginalized students Independent Study Supervisor, ENSC 4901, Directed Studies (Chibudom Orji, 2020-2021 Shujin Chen), Carleton University Mentor, BIOL 5512, Advances in Applied Ecology, Carleton University 2020 Service	
Independent Study Supervisor, ENSC 4901, Directed Studies (Chibudom Orji, Shujin Chen), Carleton University Mentor, BIOL 5512, Advances in Applied Ecology, Carleton University 2020-2021 Service	
Service	
Carleton Biology Department Board, Postdoc rep. Geomatics and Landscape Ecology Laboratory Friday Discussions, Journal club coordinator (mailing list of >350) 2021-2022	
8	
Carleton Biology Department Board, Alternate postdoc rep. 2020-2021	
Carleton Biology Department Board, Alternate postdoc rep. 2020-2021 McGill Biology Graduate Students Association, Social media rep. 2019-2020
